

BRITAIN – NOT BRUSSELS

“The attempt to create a politically unified Europe is dangerous, devious and undemocratic.

“It would mean that Britain could be out-voted on any issue of crucial importance to our economy or our military safety.

“I am the only candidate from a serious party standing in New Forest East to promise you never to vote for a single European foreign policy, a single European defence policy or a single European currency instead of the Pound.”

DR JULIAN LEWIS
