HATS OFF TO JULIAN LEWIS

Hats off to the MP Julian Lewis for voting against the plans to sell off the New Forest! It can't be an easy decision to stick one's neck out and vote against the wishes of your boss, but Dr Lewis has effectively just done just this. If only more politicians listened to their local electorate and voted accordingly, then the country would be a far better place.

DH, *Southern Daily Echo*, Letters, 11 February 2011

HMS Hood Association at Boldre

THANK YOU, DR. LEWIS:

- "I am sure that I am not alone in saying that I am glad to have an MP who puts the wishes of his constituents first, ahead of any self-interest or party politics." – *LT, Totton*
- "It gave me so much pleasure to know that someone is listening to me ... I just wanted to say that, whatever the outcome, I am so grateful to you for all the time and trouble that I have put you to." – *DW, Hythe*
- "What I was unable to do in eight weeks, you brought about in less than a week ... sincere thanks for your intervention on our behalf." – *DT, Holbury*
- "I feel that I must write to thank you for all your kind help and support in the ongoing matter of contaminated blood and products." – *LH, Fawley*
- "Just to say thank you for all your hard work in saving Cranleigh Paddock for the community. Your effort has proved invaluable." – *JH, Lyndhurst*
- "[We] welcomed with some relief the better outcome achieved for the New Forest and other National Parks ... This was only obtained as a result of your dedicated and persistent efforts." – *GP, Brockenhurst*
