

“GIVE US THE TOOLS – AND WE’LL FINISH THE JOB!”

DR JULIAN LEWIS (CONSERVATIVE)

- *Despite “Project Fear”, with its threats of emergency budgets and even World War III if we voted to leave the European Union, we finally chose “Britain – Not Brussels” last June.*
- **The process of withdrawal requires strong leadership in Parliament and an iron will when negotiating with the remaining countries of the European Union.**
- *Theresa May has shown skill and determination in taking matters this far, with only a small Commons majority.*
- **She has earned our trust and seeks, in return, the unity and bargaining power which only a significant increase in the number of Conservative MPs can confer.**

On 8 June, please help me to help her make Brexit a success.
