

## CARING FOR NEW FOREST EAST

For the past 20 years, Julian's Parliamentary office has been located in the constituency – rather than at Westminster – in order to maximise help for constituents.

Dozens of regular meetings have taken place locally to support on-going campaigns backing our Community Hospitals and demanding better Mental Health provision in Hampshire.

Here are just a few extracts from letters of appreciation received since the 2017 General Election. To view many similar ones, please visit:

Rt Hon Dr Julian Lewis

## THANK YOU, DR. LEWIS ...

- “I should like to take this opportunity to say how much my husband and I value having you as our constituency MP. You are a blessing to the Forest, where we have been resident for more than twenty years, and we wish you every success.” – *MW, Lyndhurst*
- “Following your kind involvement in [my grandson's] Special Educational Needs case ... [his] transitional year ... has gone better than we could ever have hoped ... Please accept our sincere thanks, once again, for your timely support. Without it, I am sure the outcome ... would have been very different.” – *JT, Totton*
- “Many thanks for your usual swift reply to my recent letter to you. Once again, I admire your tireless efforts to serve your constituents. May I now thank you for your excellent questions to the Prime Minister [on Defence spending] ... at the Liaison Committee's session.” – *DM, Blackfield*
- “Thank you for your letter ... regarding my dispute with HMRC. I am pleased to report that HMRC telephoned yesterday, resolving my problem. You managed to achieve in 3 days what I failed to achieve in almost 3 months!” – *KW, Emery Down*
- “I write to thank you and to congratulate you for the diligence and expertise you always show as our MP, whether it is a local matter or an important national one. This is not the case in every constituency!” – *MW, Sway*
- “Thank you so much for your letter ... I must admit, I am so glad that you are our MP: it does me good to know that you are supporting the decision of the British People [to leave the EU].” – *BH, Hythe*
- “On another equally serious issue, could I congratulate you on your interview with Channel 4 News, the other evening, giving a much-needed sane argument in favour of no further military involvement in the Syrian conflict.” – *JG, Hythe*
- “Thank you ... for your letter [and] also for your continued support of the WASPI Women's issue. It's of great encouragement to me, knowing that you are still fighting on our behalf.” – *MF, Holbury*
