

LOCAL CAMPAIGNS UPDATE

CARING FOR NEW FOREST EAST

Right from the start, Julian's Parliamentary office has been located in the constituency – rather than at Westminster – in order to maximise help for constituents.

Dozens of regular meetings have taken place locally to support on-going campaigns backing our Community Hospitals and seeking better Mental Health provision in Hampshire. They enable senior NHS providers and commissioners regularly to engage with service users' representatives.

Here are just a few extracts from letters of appreciation received since the 2019 General Election. To view more, please visit: www.julianlewis.net/letters-of-thanks
